

# Drivers Day Celebration

Mahindra Logistics celebrated 'Drivers Day' across its operating locations on 13th April 2013. The two operating verticals Supply Chain Management and People Transport Solutions saw all employees participating with gusto and more than a 1,000 drivers attended the various events held across more than 40 locations through out the country.

Pirojshaw (Phil) Sarkari, CEO – Mahindra Logistics speaking on the occasion commented; This is an annual event where we appreciate and felicitate those thousands who keep the wheels of our economy turning – our drivers. This is an opportunity for us at Mahindra Logistics to include our drivers in the RISE movement.”
